FOURTH SUNDAY IN ORDINARY TIME

the gospel of **LUKE**

LOVE is Patient
LOVE is Kind
 It does not envy, it does not boast, it is not proud.
 It does not dishonor others
 It is not self-seeking
 It is not easily angered, it keeps no record of wrongs.
LOVE does not delight in evil but REJOICES with the truth.
 It always protects, always trusts, always hopes, always perseveres.
LOVE NEVER FAILS

I knew you before
 I formed you in your mother's womb...

Who shall resist Anti-Christ when he comes if we show such patience towards the vices and crimes of his precursors? By such leniency, we encourage kings to become tyrants and tempt them to withdraw every privilege and all jurisdiction from the Churches.

YEAR OF THE FAMILY- Words from Pope Francis

Parents are the means that God uses to grow and develop the faith of their children, Pope Francis tells us:

"Handing on the faith presumes that parents themselves genuinely trust God, seek him and sense their need for him... we need to ask God to act in their hearts, in places where we ourselves cannot reach. A mustard seed, small as it is, becomes a great tree (cfk. Mt 13:31-32): this teaches us to see the disproportion between our actions and their effects. We know that we do not own the gift, but that its care is entrusted to us. Yet our creative commitment is itself an offering which enables us to cooperate with God's plan. For this reason, couples and parents should be properly appreciated as active agents in catechesis. Family catechesis is of great assistance as an effective method in training young parents to be aware of their mission as the evangelizers of their own family.
