### A Word from Fr. Jim: Sunday, June 15, 2025

The Trinity is the central mystery of our faith because that God is three persons, all truly distinct from each other yet perfectly one, is not something we could have figured out for ourselves; God had to reveal it. It is not until the Father sent his Son to become man that he disclosed it explicitly. Then, and as we would say that a tree which flowers produces flowers, so these two Persons who love breathe forth, so to speak, Love - the third person of the Trinity, whom we call the Holy Spirit.

And so we were created by Love, as John the evangelist defines God, for Love. It is impossible to overestimate how groundbreaking this revelation is for humanity. God's love is such that it wishes to share itself. And our role is to receive that love and to respond, to share it.

Imagine if this perspective -- God's perspective -- were the lens through which we understood ourselves. Our society insists on independence and autonomy -- on the freedom to define the meaning and purpose of our own life. It does not encourage us to offer ourselves as a gift to God and to others without counting the cost; it does not encourage us to sacrifice. Although God will never restrict our freedom, he has most certainly created each of us for a purpose: to become holier each day so that, one day, we can be drawn fully into the eternal communion of Love, the Trinity.
